COMPARISON STUDY

BADGIE VS SPORTEASY: COMPARISON STUDY

SportEasy and Badgie, axis by axis: what each one publishes, with the source of each data point, and who each tool is for.

Updated on 1 October 2026

METHODOLOGY

Functional comparison based on each company's public information as of 1 October 2026 and on Badgie features in production. "Not published" means the company does not describe it on its pages, not that it does not exist. If something has changed, write to us at hello@badgie.com and we will correct it.

30-SECOND SUMMARY

SportEasy organises amateur teams and clubs: squad call-ups with availability, match sheets, payments with SEPA and messaging, priced per member. Badgie covers that management and adds player progression (reports, attributes, badges), video analysis and AI. SportEasy publishes more languages (7 versus 6).

	SPORTEASY	BADGIE

WHERE SPORTEASY IS STRONGER

- Per-member price, affordable for amateur teams.
- Squad call-ups with availability and match sheets.
- Seven languages.

WHERE BADGIE IS STRONGER

- Reports for families, attributes and progression badges.
- Video analysis in the app.
- AI agent that executes tasks with approval, MCP server and CLI.
- VeriFactu, shop, court bookings and equipment rental.

WHAT BADGIE DOES NOT HAVE TODAY

- No individual goals (IDP) per player with a progress bar.
- No integration with Veo or Hudl cameras and no event tagging on match video.
- No GPS or team wearables such as Catapult or STATSports.
- Web video analysis is for golf only; in the app it works for all sports.

WHO EACH ONE IS FOR

SportEasy: Amateur teams and clubs that want to organise matches, availability, payments and messages at low cost.

Badgie: Schools and academies with structured training that want to show each student's progression to their family.
